The Webster County Conservation Board offers memorial trees and benches to honor loved ones.

Select from any of these approved trees. The trees will be purchased, planted, and watered by the Webster County Conservation Board. Included with your purchase of a tree will be a 5" X 5" plaque with the words and names of your choice which will be placed next to the memorial tree. If you wish to purchase your own tree the plaque will not be included and the species must first be approved by the Webster County Conservation Board in order to protect the native trees already established within the park.

Northern Red Oak

Firefall Maple

Adams Crabapple

5" X 5" Engraved Plaque

6" Engraved Bench

Park Benches are also available for purchase. The benches are made from 96% commingled, post-consumer and/or post-industrial recycled plastic which also helps the environment. The solid construction is made to withstand hard use and provides a high quality, cost effective alternative to wood or concrete. Engravings on the bench are also available for an additional charge.

Memorial Program Agreement

Memorial trees and benches may be placed only in approved areas of Kennedy Park to honor the memory of deceased family and friends. These memorials are subject to the following conditions:

- The donated tree, plaque, or bench will be purchased by the Webster County Conservation Board.
- The donated tree, plaque, or bench will be installed by the WCCB staff.
- No decorations (flowers, lights, lawn ornaments, etc) are permitted on or around the memorial item. If any of these items are found they will be disposed of by the WCCB staff.
- If the tree dies or the bench is damaged or vandalized, removal will be at the discretion of the WCCB and replacement will be the option and expense of the donor.
