MidAmerican Energy Company customers in Iowa are eligible to purchase trees for \$30 each (*with the remaining cost funded through a grant from MidAmerican Energy*). Purchase is initially limited to two trees per household to ensure that all customers have the opportunity to participate. Advanced purchase is required. In the event that additional trees are available on distribution day they will be released for purchase at 4 p.m. on a first-come, first-served basis until all are sold. Trees **must** be picked up Thursday, May 14, 2015, between 4 and 6 p.m. at Kennedy Park, five miles north of Fort Dodge on Nelson Ave. (P56). Any trees not picked up by 6 p.m. on distribution day will be considered donations to the Webster County Conservation Board. **Trees are nonrefundable. Exchanges will not be accepted and plant material is under no warranty and/or guarantee.**

In exchange for customer participation in this program, the customer agrees that MidAmerican Energy, Iowa Department of Natural Resources or Webster County Conservation Board shall not be liable, in contract, tort and strict liability or otherwise, for any damages arising out of the administration of this program. MidAmerican Energy makes no warranties, expressed or implied, with respect to any material supplied under this program.

Plant Some Shade is a partnership initiative funded by MidAmerican Energy and administered by the Iowa DNR – Bureau of Forestry and the Webster County Conservation Board.

Please complete the order form below and return with a check for **\$30 (one tree)** or **\$60 (two trees)**, payable to **Friends of Webster County Conservation**. No credit card or cash orders, please.

130 TREES AVAILABLE FOR PURCHASE – Shade trees are 5-8 feet tall in 5-10 gallon containers, conifers are 3-4 feet tall. Please consider size at maturity when making your selection(s). For maximum energy efficiency, shade trees should be planted within 30 feet of the east and west sides and conifers should be planted as windbreaks along the north and west sides of your home. Be sure to call Iowa One Call at **800-292-8989 or 811** to check for utilities at least **48 hours prior to digging/planting**.

I am a MidAmerican Energy customer and I live in Iowa. I agree to pick up my tree(s) Thursday, May 14, 2015, between 4 and 6 p.m. at Kennedy Park. I also agree to plant my tree(s) immediately, to give my tree(s) ongoing care, and not to move any mulch received at the event (if available) outside of the county. I acknowledge that there is no warranty or guarantee for my tree purchase. If I plan to plant my tree(s) between the sidewalk and the curb, I will check with my local parks or public works department or city forester for applicable permission before planting.
