

**The following instructions explain how to access the keys to the Bob Heun Shelter and the campground cabin**

Below is a picture of the front of the lock box. The dial numbers allow to you access the key with the 4-digit code that has been assigned to you.

Instructions For Using The Key Box:

1. Dial the numbers so that the 4 digit code assigned to you is showing in the middle row
2. Push down ↓ (do not push in) on the OPEN button, hold it down and pull the cover out towards you.
3. Take out the key and close the cover.
4. After you have locked the building, follow the above instructions and put the key back inside the box.
5. Turn the dials so your code is no longer showing to the front
