

GOT DUST? (GET DUSTGARD!)

Keep your roads safer, the air clearer and your equipment and cars in better working condition with dust control from Heffron Services. Just review and complete the application below.

- **SIGN UP DEADLINE is May 1st.** Late applications will be considered for approval individually and must include a \$20 late fee.
- Applicant agrees to maintain flags to mark outer limits of the area to be treated. **Flags must be in place May 1st until October 15th** for the County and our drivers. Failure to do this could result in the area being bladed. Neither the County nor Heffron Services assume any liability if your flags are not in place. If area is not marked, drivers will use their judgment for location.
- Our trucks are equipped with computer equipment that allows us to spray the exact amount of footage ordered. If your flags are set longer than the footage paid for, your dust control will not reach both flags. If your flags are set shorter than the footage paid for, your dust control will extend past your flags.
- The county reserves the right to blade the treated area to maintain the public safety or in the event of rain. Your road will be bladed after October 1st in preparation for winter.
- Heffron Services, Inc. does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.
- Please include payment with this application. We will not cash your check until the first application is applied.
