CONDITIONS

(Applicant-Do not write below this line)

If a permit is granted to perform the above-described work, the following stipulations shall govern:

1. The applicant shall carry on the construction, repair, or maintenance with serious regard to the safety of the traveling public and adjacent property owners, and shall save Webster County and the Webster County Secondary Road Department harmless of any damage or losses that may be sustained by the traveling public on account of such construction, repair, or maintenance operations.
2. The applicant shall indemnify and save harmless Webster County, its agencies and employees, from any and all causes of actions, suits at law or in equity, for losses, damages, claims or demands, and from any and all liability and expense of whatsoever nature, arising out of or in connection with the applicant's use or occupancy of the public highway.
3. The applicant shall hold Webster County and the Webster County Secondary Road Department harmless of any damage that may result to said highway because of the construction or maintenance of the facility, and shall reimburse Webster County or the Webster County Secondary Road Department for any expenditures that Webster County or the Webster County Secondary Road Department may have to make on said highway right-of-way on account of said applicant's construction or maintenance activity or lack thereof.
4. The applicant shall save Webster County harmless from any damages resulting from the negligence of the applicant. A certificate of insurance naming Webster County as an additional insured for the permit work or proof of self insurance shall be provided to the County Engineer prior to installation. The minimum limits of liability under the insurance policy or proof of self insurance shall be \$1,000,000.
5. Traffic control shall comply with the Manual on Uniform Traffic Control Devices. Webster County will loan the required signs to the applicant, who shall be responsible for placing the signs and covering or removing them when not in use, removing signs upon completion, and returning the signs to the Webster County maintenance facility from which they were obtained. The applicant shall be responsible for correct use of the signs. The applicant shall be responsible for flagging operations.
6. Before beginning any work within the highway right-of-way, it is the responsibility of the applicant to contact utility companies to locate any utility installation which may be affected or encountered. Contact for utility locates: IOWA ONE CALL 800-292-8989.
7. A copy of the approved application shall be available on the job site at all times for examination by Webster County officials.
8. The applicant shall seed and mulch all disturbed areas within the highway right-of-way and shall be responsible for the vegetative cover until it becomes well established. Any surfaced areas, such as driveways and shoulders, and shall be restored to their original condition by the applicant.
9. The applicant shall maintain any drainage structure built within the right-of-way that is built for the benefit of the applicant and not necessary for highway use.
10. This permit is subject to any laws now in effect and any law(s) which may be hereafter enacted and all applicable rules and regulations of local, state and federal agencies.
11. This permit is subject to all the rules and regulations of the Webster County Secondary Road Department, and to revocation by the Webster County Secondary Road Department at any time and at no cost to the Department, when in the judgment of the Department it is necessary in the improvement of maintenance of the highway or for other reasonable cause.
12. Applicant will notify the County Engineer forty-eight hours in advance of beginning work within Webster County right-of-way.
